A complementary invite only conference for select global Family offices, LPs and Angels and VCS addressing Changing Business Models for Venture Capital in the AI Era

Angel Launch is a leading producer of tech events for investors and startups in the SF Bay Area. We are producing this event with our partner, Expert Dojo, in Santa Monica. We invite your firm to become a sponsor to support this unique, exclusive event, only open to accredited high-net-worth investors seeing tech investing opportunities.

Our audience consists of vetted multi-million and billion dollar investors looking for investment opportunities in tech and related markets. Your firm will develop business relationships with high-net-worth investors to rethink how capital is deployed—toward more efficient models, stronger returns, and long-term economic impact. The traditional venture capital model is no longer aligned with the realities of today's market. Long fund cycles, delayed liquidity, and misaligned incentives have created structural inefficiencies that are increasingly difficult to ignore. At the same time, AI is accelerating the pace of innovation and fundamentally reconnects with single and multi-family offices.

Our attendees include high-net-worth individuals and institutional decision-makers drawn from our extensive network and partnerships across Silicon Valley investor organizations. By limiting the presence of venture capital firms to sponsors only, we ensure that attendees can speak openly and explore ideas without the pressure of fundraising solicitations.

Attached is the link to view the sponsorship prospectus with rates and benefits. Please contact us with any questions. We are pleased to customize a proposal based on your budget and objectives.

Who Will Attend:

This exclusive event is free (underwritten by sponsors) and will be open to invited accredited investors only: LPs, family offices, angels, institutional investors, paid tickets for VCs and GPS, but anyone else must sponsor such as vendors, corporate executives, service providers, and regional hubs seeking investors. Startups and vendors can attend the cocktail party only from 5:00 to 7:30pm. Our goal is to address changing business models for LPs and family offices in the era of AI, and alternative strategies on investing in funds. Both Expert

Dojo and Angel Launch have a huge database and global network of investors in those markets, and we expect 100-150 selected high-net-worth attendees.

The highly selective invite-only investor attendee list will include:

- Angel Investors
- Angel Syndicates
- Corporate and strategic investors
- Endowments and foundations
- Family offices-single and multi family
- Limited Partners (LPs)
- Private and Institutional LPs
- High net worth prospective LPs
- VCS and GPs

Types of Tickets:

- **Free for Approved LP Investors :**
LPs, family offices, angels, institutional investors, endowment funds and foundations
- **Free for selected for GPs and VC firms; others \$195:**
Verified accredited investors such as VCs and GPs or other funds subject to our discretion. If not selected investors can purchase tickets for \$195.
- **\$50 Cocktail Party “CAPITAL AFTER HOURS” - 5:00-7:30:**
Vendors, startups, tech professionals, VCs and corporate execs who network with LPS/ family offices.
- **Sponsors:**
Vendors, service providers, advisory services, geographic regions, and GPs raising funds.

Sponsor Benefits and Who Should Sponsor

You get these benefits: give remarks to the audience, get promotion in advance marketing and on the website for the firm, moderate a session, and receive the opt-in attendee list.

Capital and Investment Platforms

- Venture capital firms raising funds
- Emerging managers
- Private equity firms
- Private credit funds
- Real estate investment platforms
- Secondary market platforms
- Co-investment platforms
- VC management software
- LP reporting platforms
- Fund administrators
- SPV and syndicate platform

Service Providers and Vendors

- Accountants and auditors
- Angel or investor syndicates
- Banks and Lenders
- Executive recruiters
- Financial management firms
- Fund Managers
- Geographic regions attracting investors
- Law Firms
- Startup incubator hubs seeking investments
- Trust advisory services/ Wealth management services

Why You Should Sponsor

Our sessions include keynotes; panels; and fireside chats with lunch and a cocktail party. We will also host at least two roundtable small group discussions led by a facilitator on different relevant topics.

This event is intentionally structured to exclude venture capital firms, service providers, and startups, except in the case of a select group of aligned sponsors. Our goal is to create a highly curated environment where capital allocators can engage in candid, high-trust conversations without solicitation from VC funds as happens at most of these events.

As a sponsor, you will have exclusive and personal access to capital allocators without competing with other firms in your industry. We also offer category exclusive options for your market sector (such as law firms, commercial banks or investor management platforms.)

About Event Producers:

Below is info about the event producers: our partner, Expert Dojo, which manages a fund for the Nathan family office and produces other investor and startup events, and Angel Launch.

About Expert Dojo

Expert DOJO is a Santa Monica-based investment firm backing early-stage startups. We combine capital with hands-on support to help founders gain traction and scale faster than they could alone. Since 2019, we have invested in 266 startups, deployed \$27 million of proprietary capital from our single-family office, grown approximately 38% annually, and built the portfolio to \$100 million in assets under management.

We are not a venture capital firm, nor are we trying to be one. We have built a different kind of investment model, one designed to serve allocators better and to replace the outdated incentives and structure of traditional VC.

About Angel Launch

Since 2016, Angel Launch has been a leading producer of tech venture forums connecting thousands of global startups to hundreds of accredited investors in live networking events held in the SF Bay area. Since Covid, we have produced over 100 summits, mixers and conferences relating to startups, investors, and AI, many in Palo Alto. We have produced the Silicon Valley Investing Summit almost every month for the past four years in Palo Alto or San Francisco, with thousands of investors and global startups in attendance. Here is the next event: www.siliconvalleyinvestingsummit.com.

We bring together investors (VCs, angels, institutional, family offices and corporate) from Silicon Valley and the East Coast to meet promising innovative global startups. We connect investors seeking opportunities to exceptional high-growth startups, pre IPO, and public companies. View past events [here](#). Since 2022, we have produced 80 monthly summits in a row in Palo Alto or San Francisco called [Silicon Valley AI and Tech Investing Summit](#) with huge success, attracting 100 investors and 300-500 startups or corporate executives each month. We also produce [Backyard Capital Mixer](#) and host networking dinners for investors only for 150 accredited investors.

Sponsor Benefits

As a sponsor, you will get these benefits: give remarks to the audience, get promotion in advance marketing and on the website for the firm, moderate a session, and receive the opt-in attendee list. We welcome the opportunity to discuss how your organization can participate as a partner in this important initiative. This is a rare opportunity to engage deeply with some of the most important capital allocators shaping the future of venture investment
